Contributions to NRA-PAC are not tax deductible for federal income tax purposes. Contributions to NRA-PAC are for political purposes. All contributions to NRA-PAC are voluntary. You may refuse to contribute without reprisal. The proposed contribution amounts are merely suggestions; you may choose to contribute more or less or not at all. The NRA will not favor or disadvantage anyone by reason of the amount contributed or the decision not to contribute. Federal law requires political committees to report the name, address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits corporate contributions.
