Welcome to the Rhode Island Hospitality and Tourism Association's Allied Vendors Resource Directory. Included in this directory, you will find more than two hundred businesses that support the restaurant and food service, lodging and attraction segments of the industry. From architects and accountants, liquor and linen to food distributors and fire protection services, each business listed in this directory is here to support your business.

Our Allied members play a vital role in the success of the Association and the success of our industry, from supporting Association events to offering our members discounted services through RIHTA membership. In short, these businesses help make your business a success.

Small business owners themselves and our Allied members understand the challenges of being successful in this industry and do more than just provide product and services; they invest in your success. I encourage you to work with our Allied members whenever possible.

Thank you,

A handwritten signature in black ink that reads "Dale J. Venturini".

Dear RIHTA Member:

I am very excited to present to you the first Allied Vendors Resource Directory. It's goal is to provide you and your team an introduction to the vendors that provide services to the Hospitality & Tourism Industry.

The Allied Vendors Resource Directory is meant to provide you with all the information you need when looking for a new supplier, a product or service.

All of the business professionals in this book are committed to provide you and your team the highest level of service possible. I've been a member for over 4 years of the Rhode Island Hospitality & Tourism Association (RIHTA) and it has been my pleasure to work hand-in-hand with many of these businesses and I hope we continue to support one another.

Sincerely,

Jon Daskam  
Allied Council Chairperson

The Rhode Island Hospitality and Tourism Association would like to thank Artinium Design, Inc. for the donation of the design and layout of this directory.
