HOW DOES THE RI HOSPITALITY ASSOCIATION GROUP 401(K) PLAN WORK?

US Wealth will provide a representative to walk you through the entire process and there are **no hard dollar costs** for RIHA members.

Your Responsibilities:

1. **Select a customized plan design** to meet the needs of your business and employees.
2. **Submit a 401(k) file** each pay period.
3. **Deposit contributions** on a timely basis.
4. **Provide annual census and payroll data** for testing and auditing.

We are thrilled to launch this program exclusively for hospitality employees, and hope you will consider serving as a co-adopter of the RIHA Retirement Plan!
