Restaurant, and Tourism Industry

2014 Contribution Form RIHA Political Action Committee

As a member, you know first-hand how much our industry is affected by decisions made at the Rhode Island State House. Over the years the RI Hospitality Association has been lobbying to protect our industry and educate our lawmakers on the significant impact restaurants have on the American economy. Now, more than ever, we need your help. Contributions made to the RIHA-PAC allow us to continue this fight on your behalf at the State level. Through personal donations, we are able to support pro-business candidates and attend political fundraisers to educate our legislators.

Please consider contributing to this year's fund. We are only as strong as our membership support. I look forward to counting on your commitment.
